WTDGC, Aussie Open and the Australian DG Pros will all take place during the month of November, 2024. International players are encouraged and welcome to register for all events.

# LOCAL ORGANISING COMMITTEE

The event will be headed up by highly experienced Disc Golfers Ken and Sue Summers as the Tournament Directors, working with the local organising committee (LOC) of dedicated key staff from the Mundaring Sporting Club, Disc Golf Department.

Mundaring Disc Golf Sports venue has previously hosted the 2015 and 2017 Australian leg of the Disc Golf World Tour Event - "the Aussie Open" and will again host the Aussie Open in 2024 at the same famous course.

Ken and Sue have put a lot of planning into the bid for WTDGC, combining their experience and knowledge gained by attending prior WFDF World Championship events with their passion for the sport. The Mundaring DG Club has a passion for growing the popularity of the sport and are excited and honoured to welcome the world to their beautiful Club.

# LOCATION & VENUE MAPS

The 5th World Team Disc Golf Championships will be held in the western part of Australia in the town of Mundaring, located a 45-minute drive east of Perth, the capital city of Western Australia.

Australia is the oldest, smallest, driest and flattest inhabited continent and one of the largest countries on Earth.

We acknowledge the Traditional Aboriginal and Torres Strait Islander Owners of the land, sea and waters of the Australian continent, and recognise their custodianship of culture and Country for over 60,000 years.

The Mundaring Sporting Club is located at 665 Coolgardie St, Mundaring, WA, Australia

Perth is a vibrant city with an exceptional blend of natural beauty, arts and culture and amazing beaches. Mundaring's spectacular Jarrah forests and national parks are only 35 kilometers from Perth and 25 kilometers from Perth's International airport.

Mundaring is best known as the Heart of the Perth Hills. The area offers amazing trails and spectacular State Forests full of Eucalyptus Gum and Jarrah Trees. It comes as no surprise that wildlife is never far away. Take a stroll and you are guaranteed to be inundated with aussie wildlife. Colourful native birds, curious kangaroos and if you're lucky, swim with the dolphins at the Perth beaches. To find out more about Australia visit [www.australia.com](http://www.australia.com)

The event will take place on two 18-hole Disc Golf Courses specially designed to suit the match play format of the event. Both courses will be finalised after team registration closes. You can expect courses with medium-range and gradual elevation changes. The courses play through a combination of native bush and an 18-hole golf course, with a mix of wooded and more open holes.

# CLIMATE

The weather in Perth and Mundaring in November is forecast as warm-to-hot and dry, averaging a maximum of 23 degrees Celsius (73 degrees Fahrenheit) with an average of 9 hours of sunshine per day.

There is little rainfall at this time of year. Beautiful weather for Disc Golf!

Ocean temperatures in Perth are around 23 degrees warm at this time of year - warm enough to dip your toes in the water of one of the 19 beaches in Perth.

# ATMOSPHERE

WTDGC will be centred around bringing international disc golfers from many countries together and the LOC is focused on delivering an amazing experience and creating a fun atmosphere throughout the week to celebrate Disc Golf. Teams and players attending WTDGC are encouraged to talk to your family and friends and bring them with you for an amazing trip to Australia.

Entertainment and activities throughout the day and evenings will ensure players love every minute of this event – even when not on the DG Course.

Social events such as auction night and the party will incorporate everyone together and we are looking forward to that special energetic vibe that only comes from members of the Disc Golf Community!

# AIRPORTS & TRANSPORT

Participants should plan to fly into Australia via the Perth International Airport (PER) or via Sydney Kingsford Smith International Airport (SYD), Melbourne Tullamarine Airport (MEL) if you are intending on sightseeing the East of Australia either before or after your participation at WTDGC.

There are over 130 daily international and domestic flights to Perth from a wide range of destinations. Participants will have no problems finding flights to suit your needs.

Driving across the country from the East to the West is NOT RECOMMENDED due to the vast distance of some 4000 kms and the sometimes remote and unpassable roads.

Participants can choose to arrive by private or public transport to the Mundaring region from the airport. Travel from airports to the event are at the cost and responsibility of each individual.

Teams should make enquiries about flights, however **no flights should be booked until after registration is closed** and after WFDF confirms each team on the bid list. This will happen on the 15th of January.

Teams are encouraged to consider car rentals as a good way to get around and to see Perth/Mundaring and the surrounding area.

# FOOD

The LOC are currently in talks with a catering company to provide lunch catering at the venue throughout the week. There are also food trucks at the course.

Most teams will be expected to arrange their own breakfast (or book as part of your bed package) and dinners in the evening. There are a variety of restaurants, supermarkets and other bakery type establishments within the Mundaring region.

While in Australia, why not try some of the famous foods such as Vegemite on toast, Fairy Bread or a famous Aussie Meat Pie!

# ACCOMMODATION

The following information provides a basic outline of the accommodation that will be available. More information will be posted on the event website and sent to registered teams and National Federations by bulletins and or e-mails as details firm up in early 2024.

Teams should make enquiries about hotels and accommodation, however **no firm bookings should be made until after the team registration is closed and after WFDF confirms each team on the bid list has given a green light for the event to proceed.**

The LOC has been in talks with the local council in regards to some “under construction” accommodation options some 15 minutes from the course. That will not be known until next year if it will be finished in time.

Hotels, Motels, AirBnB’s and Home stays are also options for teams to explore. While all teams will have different budgets and requirements, we kindly ask for you to reach out when you are exploring booking options so that WFDF and the LOC can assist you.

For planning purposes - Teams should budget for \$75-125 per person (hotel/ house) or less if planning more budget accommodation usage such as camping and or shared accommodation. Camping is an option to “Bring your own everything” for those teams with a small budget. We strongly encourage all teams to consider all options when booking accommodation.

# HEALTH & MEDICAL

All event participants and spectators travelling with the team are recommended to obtain travel insurance prior to booking flights and health insurance before leaving your home country.

The Australian healthcare system for visitors is based on individuals carrying personal insurance. WFDF and the LOC do not provide coverage for participants outside of the general first aid administered at the course. There are always risks associated with playing Disc Golf and travelling internationally. There may be injuries or illness in which players need medical attention that requires emergency visits to local hospitals.

WFDF and the LOC kindly request that all players and event participants acknowledge these risks and understand that WFDF and the LOC cannot be held liable for any risk or cost associated with injury or bad health at WTDGC. **All event participants should alleviate some personal financial liability by purchasing your own travel and health insurance to make sure you are covered for any medical issues or event cancellations that could arise.** Participants will be required to sign an Event Participant Agreement published in advance of the event.

# VISAS

Once the event bid list is published and your team is registered, we encourage each team to make specific and timely enquiries about obtaining a visa to enter Australia. Teams and individual players are responsible for obtaining the correct paperwork to visit Australia and to compete at WTDGC. Each person is 100% responsible for ensuring that their own visa arrangements are taken care of.

The WFDF and the LOC cannot provide specific advice on the process, however we do strongly recommend that you get started as soon as possible. WFDF can provide your team manager/administrator with a letter confirming your team's registration at the event.

Specific player letters for visa appointments can only be done after players have registered and paid their fees) we require confirmation from the National Federation that they endorse the player on the roster. The following details for all the members of your team are required:

- Full name (as shown on passport);
- Passport number;
- Date of birth;
- Role on team (i.e. player, coach, manager, etc.)

Please do not send an email about this - we will open an online form in January for teams looking for letters about the event. Make sure you leave us some time to produce this document: do not assume that we can send it back the same day. Please note: we cannot and will not provide a formal "invitation" to attend the event and non-ability to enter Poland is not grounds to request a refund for a team and/or player fees.

We recommend EVERY TEAM makes specific enquiries to fully understand visa and travel requirements.

Categories are: Rules and Knowledge, Fair Mindedness, Positive Attitude and Self Control and Communication.

# DISPENSATION CLAUSE

WFDF recognises that some countries will want to enter the event but may not be able to put a full team together for many reasons. We want to encourage as many teams and players as possible from around the world to attend the event and are committed to the principles of inclusion. Each team can substitute an athlete in the MP40 and FPO divisions with any player who does not have a PDGA Rating above the 75th centile in the top quadrant of the division that they are replacing.
